

K-LAK CORPORATION Background Criminal History Screening Services and Government Services

Is your company at risk? Knowledge is the key to Understanding!

K-LAK Corporation provides many services that make us competitive in the market place. Our goal is to serve our customers/clients with the highest standard of service. Our strategy is to create alliances and quickly form partnerships to improve our products and services. These continued improvements in products and services truly make K-LAK Corporation a “One Stop Shop” for all your employment screening needs.

The unique combination of our data and analytical tools has helped agencies in many ways, including screening potential contractors and employees using our investigated tool through fingerprints or direct court searches to check the results for dissemination to federal government agencies and other industries.

Our Company is an authorized agent and Partner with Experian Information Solutions, Inc. K-LAK and its Partners has access to over 400 million consumers’ information and 27 million businesses in the U.S. and globally. This data encompasses a wide variety of information, these unique data assets includes credit demographic, psychographic, firmographic intelligence, public records and credit and criminal monitoring.

Through our analytical expertise and with our Business Solutions, we not only provide agencies with insight, we also identify, and translate our credit and criminal data into clear and understandable language.
